

Deriv cTrader copy trading – Turn your skills into potential earnings!

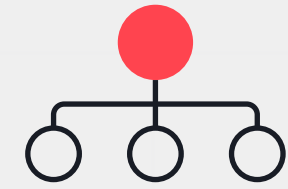

Copy trade and
potentially earn
Performance Fees

Follow the pros –
or be the pro.
The choice is yours!

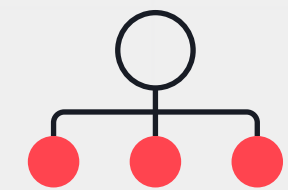

What if your skills could potentially earn you more – not just from your own trades, but from others following your strategies?

How it works

For strategy providers

Trade as usual. Your results attract followers in real-time. Earn potential performance fees as your audience grows.

For Followers

Pick a top trader. Their moves mirror instantly in your account for smarter, effortless trading.

Key benefits

Fast execution & deep liquidity

No hidden fees – Potential transparent performance-based earnings

Advanced tools: Real-time ROI insights & risk analysis

Multi-market access: Trade 70+ forex pairs, crypto, indices, and commodities

Getting started

Sign up as a strategy provider or test the waters with a demo account – start with 10,000 virtual units before going live with just \$5!
